**IMPORTANT !!!!! This applies hand in as well as send parts.**

**Registration must be made on [www.meracing.com](http://www.meracing.com). Registration closes Thursday March 6 at 24.00**

**Click the SFI button - Fill in the document - Then click the Submit button**

- All parts must be in place in good time, no later than the week before inspection. Even hand in parts. Parts not in place in time risk not being inspected.
- **We do not inspect parts while waiting.** Make a wooden box or a pallet that you send !!
- **Companies (with VAT nr) from EU, and outside EU don't need to pay Swedish VAT if you send parts.**
- Notify in the registration if parts are sent or hand in. Parts that are sent **must** be with ordered delivery to the address below.
- Parts **must** be marked with owner's name and Mobile number to contact person. Parts that are not marked will not be inspected. Submit **ONLY** parts to be inspected. Ownership liability applies, as e.g. number of years / units.
- All inspection covers and all bolts **must** be included and mounted on the bellhouse to be approved. Bolts can also be ordered in the registration form.
- For **improperly** cleaned parts, an extra cost of **500 SEK** will be added.
- Extra floaters and clutch discs that are inspected constitute an extra cost.
- Automatic gearboxes must be disassembled if there is no SFI sticker, otherwise they can be assembled without oil.
- **"Weld wheels"** can be inspected in Sweden during this day. Without tires. Beadlocks and bolts in place.
